We are excited to offer Communicative English language courses for Young Learners all year-round for students aged 11-17 years (closed groups) at our main Centre in Colchester.

Colchester English Study Centre (CESC) have been providing English language courses since 1969. CESC is a short walk from the centre of Colchester and only 15km from Mersea Island and the coast.

Colchester is Britain's oldest recorded town – over 2000 years old. The town has a rich heritage and is steeped in history – the Roman wall, the Norman castle and “Jumbo”, the Victorian water tower. It is also a vibrant, modern town with a wide variety of shops, cafes, theatres, art galleries and a cinema complex.

By living with one of our carefully selected friendly and welcoming homestay providers, students will learn more about British life as well as improving their speaking and listening skills. This provides an important cultural immersion experience. More than 90% of the population of Colchester are British, ensuring that students benefit from immersion in a British lifestyle.

Sample activities: Zumba, English baking, arts & crafts, African drumming, team-building games, treasure hunt, bbq and disco.

Accommodation: Single rooms in local homestay provider residences. Half-board and full-board options available. Shared bathroom facilities and weekly laundry service.

Sample full-day excursion: London, Cambridge, Brighton

Sample half-day excursion: Ipswich, Dedham, Clacton
